List of new EUSALP Youth Councilors' mandate (2026-2027)

Decision paper

EUSALP General Assembly • 22 October 2026 • Lindau

Preamble

On 10 June 2026, the selection process for the new Youth Council members for the 2026-2027 mandate was successfully completed. The Executive Board endorsed the list of members on that date.

During the summer, two replacement procedures were carried out to replace inactive members within the Slovenian and French delegations. The Executive Board was duly informed of these replacements, which were implemented in coordination with the respective delegations and in accordance with the procedure set out in the Youth Council's Expulsion Protocol.

Decision

The General Assembly confirms the Youth Council members for the new mandate and welcomes them within the EUSALP bodies.
